Hobo Audio mixes on the Food Network!

For those of you looking for summer cooking tips please check out the show “**Easy Entertaining with Michael Chiarello**”. We have just completed mixing six more episodes of the show for **Silver Plume productions** to air on the **Food Network** channel over the next few months. Mixing was performed by Hobo staffer, **Chris Stangroom**, at the company’s state-of-the-art audio facility located in the heart of midtown Manhattan.

Here are the titles and air dates of the shows:

Croquet Party - 7/29/07
No-Cook Entertaining - 8/05/07
Spaghetti Western - 8/10/07
Drive-In Movie Night - 8/19/07
Day-After Brunch - 8/22/07
Pruner’s Lunch - Sept `07

Hobo’s client list includes: Grey, O&M, Publicis, BBDO, Microsoft, Kmart, Silver Plume, Food Network, independent film makers and production companies. Hobo Audio rooms feature Pro Tools HD, 5.1 surround and hi-definition plasma displays.
