Just in time for Valentines Day, **Hobo Audio Company** has completed two Kmart 15-second TV spots and one Kmart 30-second radio spot for Grey Worldwide to air this month. Mixing and recording were performed by Hobo staffer Chris Stangroom and assisted by Bennett Kolasinski at the company's new state-of-the-art audio facility located in the heart of midtown Manhattan.

About Hobo Audio Company:

Opened in October of 2006, Hobo Audio has been home to Bank of America, Kmart, Downy, agencies BBDO and Grey, TV shows Easy Entertaining with Michael Chiarello, production company Silver Plume and others.

Hobo Audio's rooms feature Pro Tools HD 5.1 surround and hi-definition plasma displays. Services include recording, editing, mixing, sound design and music for radio, television, film, and Internet audio applications
